Name and docket no. of any related cases pending before this court Lucent Tech v. Gateway, 2007-1334, -1336, -1337, -1376.

Brief statement of the issues to be raised on appeal Whether the district court erred in granting judgment as a matter of law of noninfringement of the '457 patent; judgment as a matter of law of noninfringement, co-ownership, lack of standing, and license of the '080 patent; judgment as a matter of law that the damages awarded by the jury were not supported by the evidence; and a new trial.

Have there been discussions with other parties relating to settlement of this case? Yes.

If "yes," when were the last such discussions?

- ☐ Before the case was filed below?
- ☒ During the pendency of the case below?
- ☐ Following the judgment/order appealed from?

If "yes," were the settlement discussions mediated? The parties participated in at least one court ordered settlement conference during the proceedings below.

If they were mediated, by whom? Magistrate Judge Bencivengo.

Do you believe that this case may be amenable to mediation? No.

If you answered no, explain why not While Lucent remains interested in alternative resolutions, Lucent does not believe that the issues in these appeals are amenable to separate resolution or that mediation would be fruitful in reaching a resolution of the parties' overall dispute.

Provide any other information relevant to the inclusion of this case in the court's mediation program None.

I certify that I caused to be filed an original and one copy of this Docketing Statement with the Clerk of the U.S. Court of Appeals for the Federal Circuit and served a copy on counsel of record, this 24th day of September, 2007 by Federal Express.
